Chancellor Glenn S. Dumke, Trustee Blanche Bersch and six college presidents are among the more than 410 people attending the retirement dinner honoring President and Mrs. John M. Pfau this evening. The social hour will begin at 6:30 p.m. and the dinner at 7:30 p.m. in the Commons. Resolutions and tributes from campus and off-campus groups will honor the college's founding president, who retires next month after 20 years at the helm. The Pfau's two daughters, Madelaine and Ellen, other officials from the Chancellor's Office, and two former students of Dr. Pfau at Chicago Teachers College will be among the guests.

CONCERT ON THE GREEN DEDICATED TO DR. PFAU

A free Concert on the Green for people of all ages will be presented by the Festival Orchestra and Chorus on Sunday, June 13. This special outdoor event is the second President's Campus and Community Festival Concert and will be dedicated to President John M. Pfau. The program will begin at 7:30 p.m. on the Commons patio. The audience is invited to arrive early and bring a picnic dinner and lawn chairs or blankets.

Accompanied by brass, the chorus will open the program with "Te Deum," by Halsey Stevens. Keating Johnson will direct. During the other selections, Dr. Richard Saylor will conduct the Festival Orchestra, which consists of community members and students. Jane Cochran, a senior, will be featured during Albinoni's "Concerto for Oboe." Senior Kathy Argues will be featured at the piano during "Le Carnaval d'Aix," by Darius Milhaud. The program will conclude with Schumann's lively "Spring Symphony."

BOARD OF TRUSTEES ELECT CHAIR, NAME OUTSTANDING PROFESSOR

The Board of Trustees last week re-elected John F. O'Connell of San Francisco chair for 1982-83. Lynne Myers of Beverly Hills will be vice chair.

The Trustees also named Richard Bunker, professor of music at Cal State, Dominguez Hills, and Dr. Roberta Markman, professor of comparative literature at Cal State, Long Beach, recipients of the 1982 CSU Outstanding Professor Awards.

The Board received a statement from the Faculty and Staff Affairs Committee on the layoff of tenured faculty at Sonoma State commending President Peter Diamandopoulos "for his leadership in making the hard management decisions necessitated by the combination of a decline in enrollments, changing student academic preferences and fiscal constraints." This statement from the chair and vice chair of the committee also said the committee was "pleased by the efforts of President Diamandopoulos and Chancellor Glenn S. Dumke in actively pursuing the possibility of employment within The California State University for those who have been affected by these unfortunate layoffs, and urged the faculty and administration of the other 18 campuses to make every effort to join in helping to find new employment on their campuses for those whose positions regrettably have had to be cut."

The Trustees approved technical corrections in Title 5 of the California Administrative Code in sections relating to major requirements for bachelor's degrees and the new general education-breadth requirements. In addition, the Trustees amended Title 5 to delete a section on adult special students and add two new sections on adult students to provide alternate bases for admission of adults who are 25 years of age or older.

As announced in last week's Bulletin, the Trustees named the CSCSB Library the "John M. Pfau Library."

The Board also approved the firm Harnish, Morgan and Causey, Inc. as consulting architect for Cal State, San Bernardino.
